

## Night Diver Course

Introduce yourself to the whole new cast of critters that only come out after the sun goes down. See your favorite dive sites from a whole new perspective at night. The Night Diver Course will give you the confidence to explore the underwater world at night. You will be able to see animals and behaviors that don't occur during the day. Night diving is both fun and challenging.

### Requirements

- Prerequisite certification: PADI Open Water Diver, Junior Open Water Diver or have a qualifying certification from another training organization.
- Minimum age requirement: 12 years.
- Read and complete knowledge reviews from the Night Diver manual.
- Must have primary, backup, and tank lights.

### Course Overview

- 3 night dives are conducted over 2 or 3 evenings.
- Course includes the procedures, equipment, and skills to allow you to be comfortable and safe during night dives.

**Costs:** \$195. You will also need to purchase the Night Diving manual and provide lights and equipment for the dives.
