

## Search and Recovery Course

Have you ever dropped something in the water? Are you looking for lost “treasure”? The PADI Search and Recovery Diver Specialty course will teach you effective ways to find objects underwater and bring them to the surface. Small, large or just awkward, find all kinds of lost items and lift them to the surface. You will learn fun and practical skills.

### Requirements

- Prerequisite certification: PADI Advanced Open Water Diver or have a qualifying certification from another training organization.
- Minimum age requirement: 15 years.
- Read and complete knowledge reviews from the Search and Recovery Manual.
- In addition to standard equipment for the dives, you will need to have a lift bag and compass.

### Course Overview

- 4 open water dives conducted over 2 days
- Learn procedures for finding and lifting objects underwater
- Practice navigation, search patterns, and use of a lift bag to lift small and large objects to the surface.

**Costs:** \$195 plus Search and Recovery Manual. Does not include required equipment for the dives.
