

**What you need to do now:**

Check your calendar to ensure that you are free for the weekend and that you will be able to come to the store on the Friday before your open water weekend in order to pick up your equipment AND that you are able to bring that equipment back to the store on the first business day after your course.

Now that you have checked your calendar - call the store to register, or book your course through our website. All the dates are listed on the Class Schedule page of the website. Don't wait too long as we restrict numbers to ensure student-to-instructor ratios are low. Make sure you are firm on the dates with no conflicts. If you have to change dates there are re-scheduling fees as outlined in the Class Policies section of the website.

Please come to the store at least a few days before you go to Dutch so we can properly fit you for your rental gear.

If you have left a long time between Part 1 and Part 2 of your course, you may want to think about booking a refresher session prior to the dives.

to Part 2 of the  
Open Water Diver  
Program  
2017*

### Certification:

Congratulations on completing Part 1 of your Open Water Diver Course - you are now over halfway to obtaining the coveted PADI Open Water Diver certification.

In order to obtain your certification you need to complete 4 dives in open water - but don't worry we will not surprise you with any new skills; you will just demonstrate the skills you have already mastered in the pool.

You will complete the Open Water course over a 2-day weekend with us at Dutch Springs in PA, about 1 hour 15 min. from the store. The cost of Part 2 is \$295. The entry fee into Dutch Springs is \$40 per day - you also need to purchase two 'Air Fill' tickets so you can refill your tanks overnight at Dutch Springs.

You need to be at Dutch Springs at 7:15 am on Saturday morning. Once through the gates you will be directed to the 'student side', and then look for the canopy with our banner displayed.

### Equipment:

You will need to bring all the equipment listed below to Dutch Springs with you.

Mask, fins, booties, snorkel and Divers Log Book

In addition you will need:-

Mask De-Fog  
Dry clothing  
Towel  
Bathing Suit  
Plenty to drink

Pick up the following rental items from the store:

Wetsuit  
BCD  
Regulator  
Weights and weight belt  
Compass  
Dive Computer  
Hood  
Gloves  
2 tanks of air  
Surface Marker Buoy

### Get your Friends/Family Diving:

Once you are a certified diver you will soon realize that the only thing missing is your very own dive buddy.

Diving with a friend or family member makes the whole experience so much more enjoyable. With this in mind please talk to your non-diving friends and family, tell them of the wonders of the underwater world and when they book part 1 of their very own course we will reward you with a gift card to the value of \$25 to spend on anything in the store.

#### \$25 Gift Card Claim

Please give me a \$25 gift card to be used at Underwater Adventures. I have introduced

.....(Name)

Who has enrolled for the part 1 course at UADC which starts on \_\_/\_\_/\_\_\_\_

My name is

.....

Only one claim allowed per enrolled new student
