

## Advanced Open Water Diver Class

This course is perfect for the certified diver who would like to gain additional experience in different diving environments. It is also a great way to develop your diving confidence in skills you may not be comfortable using. The PADI sanctioned course includes both an academic component and five distinct dives.

**Requirements:** You must:

- be a certified Open Water Diver
- be at least 12 years of age
- be in overall good health

### What to expect

The Advanced Open Water Diver course is all about diving. Five separate dives are done over two days. Prior to the dives, we review important concepts related to each of the dives. Prior to class you will purchase your Adventures in Diving manual. Tuition for the class is \$215. Rental gear is **not** included.

### Open Water Training

The diving experience includes a deep dive and a navigation dive plus three additional Adventure Dives, that you can choose based on your interests. All dives are made under the supervision of a dive instructor who can help you take your diving to the next level.

Adventure Dives May Include:

- Diver Propulsion Vehicle (DPV)
- Dry Suit
- Multilevel and Computer
- Wreck
- Night
- Boat
- Peak Performance Buoyancy
- Search and Recovery
- Underwater Naturalist
- Underwater Photography

In addition to the manual, you will need to have a slate, compass, and dive lights (if doing the night dive).
